DANA BRUNSON

443-561-5789 • brunson_dana@yahoo.com • www.linkedin.com/in/dana-brunson

EDUCATION

University of Maryland, Baltimore County   **Expected May 2027**
Master of Science in Human Centered Computing

North Carolina Agricultural and Technical State University   **May 2025**
Bachelor of Science in Computer Science
GPA: 3.34

SKILLS

Figma, HTML, CSS, Java, Python, C++, SQL, JavaScript, React, Expo Go, GitHub

PROJECTS

Bakery Website

- Created a responsive bakery website using HTML, CSS, and JavaScript to ensure seamless display across devices.
- Customized website design and features including consistent styling, intuitive navigation, and a mobile-friendly layout.

Girls Who Code Leadership Academy

- Embodied and practiced leadership through participation in Girls Who Code's four-month leadership development and career readiness program with leaders and engineers at RTX.
- Developed an application using React Native and Expo Go frameworks to allow users to respond to journal prompts and practice mindfulness activities to address mental health struggles.

Computer Program Design Project

- Developed a functional calculator application in Java, enabling accurate calculations based on user inputs.
- Implemented intuitive graphical user interfaces using Java Swing, enhancing user interaction and input management.

EXPERIENCE

Ulta Beauty   **June 2023 - July 2023**
Task Associate

- Organized products in backroom and maintained displays ensuring they were stocked with merchandise.
- Assisted customers with brand knowledge and product selection.
- Served as the lead associate in the fulfillment and shipping of high volumes of online customer orders.
